

# Termination Equipment

FT24WFM

FT01SPV

FT48RT2

16

## Fiber Termination Cabinets

### Wall-Mount Features

- Keylocked door for installation and maintenance
- Support cables up to 2 inches in diameter; top, bottom or side entry
- Accept single-mode, multimode pigtail splicing and field termination
- Accept all common connector types
- Top and/or bottom jumper routing
- FTU can be stacked onto Tube Distribution Unit (DE06MDU)

### Rack-Mount Features

- Fit both 19 inch and 23 inch racks
- Accept single-mode, multimode pigtail splicing and field termination
- Accept all common connector types

### Applications

Fiber Termination Units are wall-mounted or rack-mounted enclosures used to terminate ABF tubes and fiber bundles. They can be used in a variety of locations, including telecommunications closets and hubs, to organize fibers for termination.

### Physical Characteristics

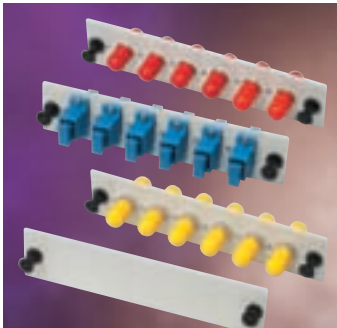

Part Number	Description	Dimensions HxWxD (in)	Weight (lbs.)	Material	Color
FT24WFM	Wall-mount, modular fiber termination unit, 24 fiber capacity	16 x 16 x 4	20	16 gauge steel	White
FT48WFM	Wall-mount, modular fiber termination unit, 48 fiber capacity	16 x 16 x 6	22	16 gauge steel	White
FT12RT2	Rack-mount fiber termination unit, 12 to 18 fiber capacity, low profile, 1RU	17 x 1.75 x 11	8	Aluminum	White
FT24RT2	<b>NEW!</b> Rack-mount fiber termination unit, 24 to 48 fiber capacity, field termination or pigtail splicing	3.5 x 17 x 12	13	Aluminum	White
FT48RT2	<b>NEW!</b> Rack-mount fiber termination unit, up to 48 fiber capacity, field termination or pigtail splicing	5.25 x 17 x 12	18	Aluminum	White
FT72RT2	<b>NEW!</b> Rack-mount fiber termination unit, 72 fiber capacity, field termination or pigtail splicing	10.5 x 17 x 12	25	Aluminum	White
FT144RT2	<b>NEW!</b> Rack-mount fiber termination unit, 144 fiber capacity, field termination or pigtail splicing if used with FT05RSS or FT09RSS	10.5 x 17 x 12	24	Aluminum	White
FT05RSS	<b>NEW!</b> Rack-mount splice shelf, 6 tray capacity.	17 x 5.25 x 11	24	Aluminum	White
FT09RSS	<b>NEW!</b> Rack-mount splice shelf, 12 tray capacity.	17 x 8.75 x 11	24	Aluminum	White
FT01SPV	<b>NEW!</b> Splice Storage Cabinet, wall or rack mount, 24 tray capacity.	18.5 x 32 x 8	24	Aluminum	White

Note: Accessory items must be purchased separately.

# Termination Equipment

Tapered Bushings

Interconnect Panels: FC, SC, ST, Blank

FTFLD18

## Fiber Termination Accessories

### Features

- Accessory items include splice trays, tapered bushings, interconnect panels, pigtails, jumpers, and breakout kits
- Pigtails and jumpers are available in various lengths with LC, SC, MTRJ, ST, FC and other connectors

### Applications

Fiber termination accessories are used to terminate the fiber ends in wall-mount or rack-mount cabinets.

### Physical Characteristics

Part Number	Description
FT12ST8	12-fiber splice tray for rack or wall-mount FTUs. 8.75"
FT18ST8	18-fiber splice tray for rack or wall-mount FTUs. 8.75"
FT24ST8	24-fiber splice tray for rack or wall-mount FTUs. 8.75"
FT24SPL	Splice tray holder, up to 4 trays, adhesive mount, for wall-mount FTUs
FT2MFB	Tapered bushing (for 2, 4, or 6-fiber bundle)
FT3MFB	Tapered bushing (for 12 or 18-fiber bundle)
FT6FCS2	FC interconnect panel/6 pack, for multimode or single-mode
FT6SCS2	SC interconnect panel/6 pack, for multimode or single-mode
FT6STS2	ST interconnect panel/6 pack, for multimode or single-mode
FT12SC2	SC interconnect panel/12 pack, for multimode or single-mode for FT144RT2
FT12ST2	ST interconnect panel/12 pack, for multimode or single-mode for FT144RT2
FTBLNK2	Blank panel, solid
FTFLD02	2-fiber breakout kit (with 900 micron tubing)
FTFLD04	4-fiber breakout kit (with 900 micron tubing)
FTFLD06	6-fiber breakout kit (with 900 micron tubing)
FTFLD12	12-fiber breakout kit (with 900 micron tubing)
FTFLD18	18-fiber breakout kit (with 900 micron tubing)
FTFLD24	24-fiber breakout kit (with 900 micron tubing)

For our full line of available pigtails, jumpers and connector options please contact customer service at 877-356-3539. Our customer service and technical staff are ready to assist you.
